SUMMARY

Creative designer skilled in graphic design, UI design, photography, lighting, and digital marketing. I create modern visuals for social media, mobile games, and events, blending fresh ideas with brand needs. Passionate about travel and sketch artistry, I bring real-world
inspiration to every project

EDUCATION

BSC(IT)
saurashtra university

july 2023 - May 2025   *Rajkot, Gujarat*

High School education
Shree Swaminarayn gurukul rajkot

june 2021 - March 2023   *Rajkot, Gujarat*

EXPERIENCE

Graphic designer, Light Engineer and Photographer
Gurukul Rajkot

November 2022 - May 2024   *Rajkot*

- • I manage social media pages, design festival posts, and create content for online platforms. I also plan and operate time-coded light
- shows for events like annual functions and welcome ceremonies. In addition, I handle event photography, capturing key moments to
- create strong visual stories

Graphic Designer, Ui & UX Designer
Appmeddy

May 2024 - November 2024   *Internship, Rajkot*

- • My Responsibilities include Graphic design, Logo design, and Practicing UI/UX design

Graphic designer
Appindia

November 2024 - April 2025   *Rajkot*

- • At AppIndia, I design social media posts, create product catalogues, and develop game assets and characters. My role involves
- blending creativity with brand goals to produce engaging visuals for marketing and gaming projects

PROJECTS

Game Character and Asset Design
Affinity Designer

🔗 https://play.google.com/store/apps/details?id=com.mini.ludo.game

• Designed Play Store screenshots, characters, and game assets for ISTO King mobile game.
• Created the full game board design for Snakes and Ladders – Ludo Game, focusing on clear, colorful, and mobile-optimized graphics.
• Helped improve visual appeal and user engagement through consistent and attractive designs

Buno Branding project
Affinity Designer, Affinity Photo

🔗 https://www.instagram.com/bunohendicraft/

http://buno.design2code.in/
Role: Brand designer

• Designed a soulful, minimal brand identity for Buno, a pottery label celebrating rural craftsmanship and sustainable living.

• Created a unique logo, earthy color palette, and selected modern typefaces for brand consistency.

• Developed a fully responsive HTML/CSS/JS website with an aesthetic UI focused on storytelling and product display.

• Crafted engaging social media templates and content to promote products and brand philosophy.

• Wrote brand copy, including the About section, to highlight the journey from village artisans to modern   homes.

• Project aimed at blending daily utility with home décor, offering handcrafted elegance directly from the   village.
